Seattle, Washington 98104

Dear Sir:

Enclosed is the laboratory analysis of sludge from our facility at
3200 Sixth Avenue South.

As we discussed, there will be less than 400 lbs. per month of this
waste and we plan to dispose of it with our other refuse in the dumpster.
Please advise me of your approval for this.

If you have any questions I can be reached at 623-5800, Ext. 572,
week days between 8 A. M. and 3 P. M.

Thank you.

Sincerely,

James C. Brown
Asst. Superintendent
